Log In

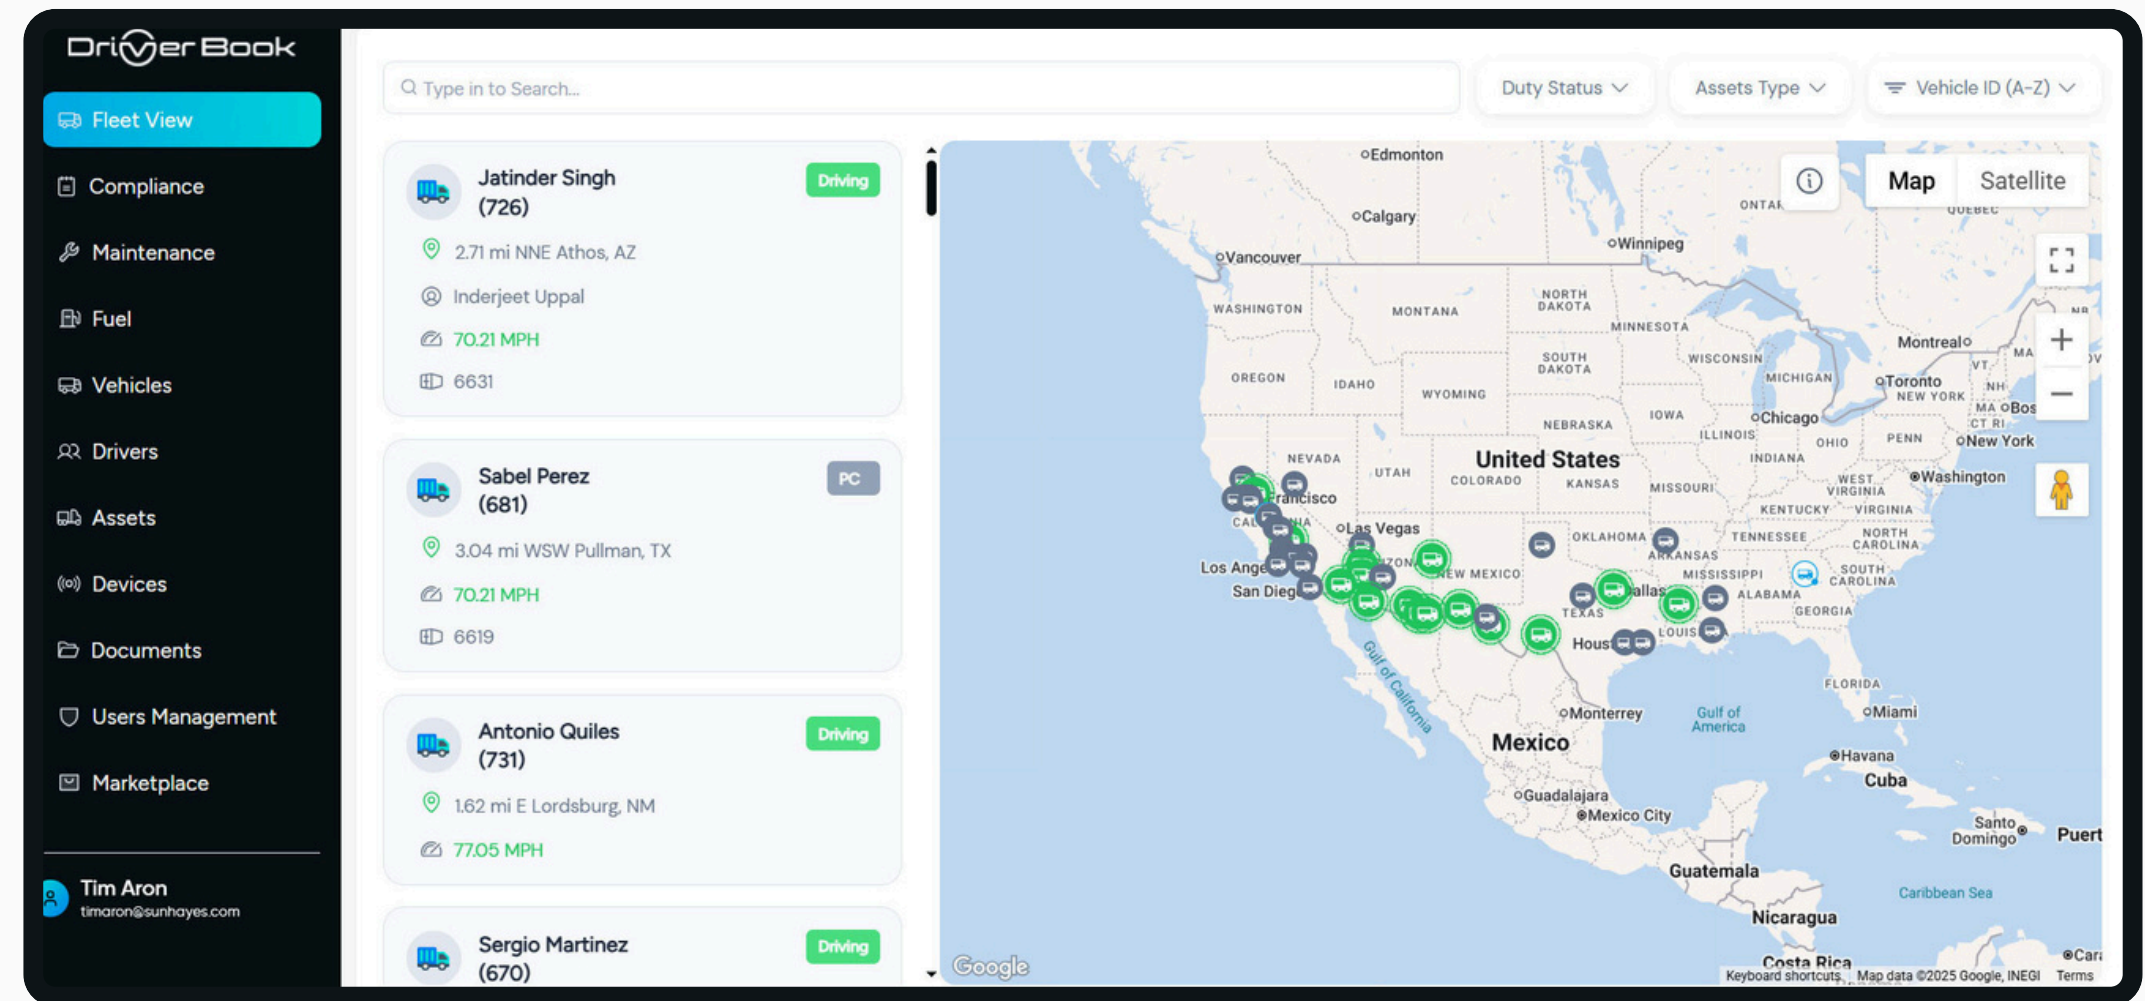

ACCESS THE FLEET DASHBOARD

Upon successful login, you'll be directed to the Fleet Overview screen.

This dashboard provides a consolidated view of your fleet activity.

Here, you can:

- View vehicle and driver details
- Monitor the live status of each unit in real-time
- Access quick insights to help manage your operations efficiently

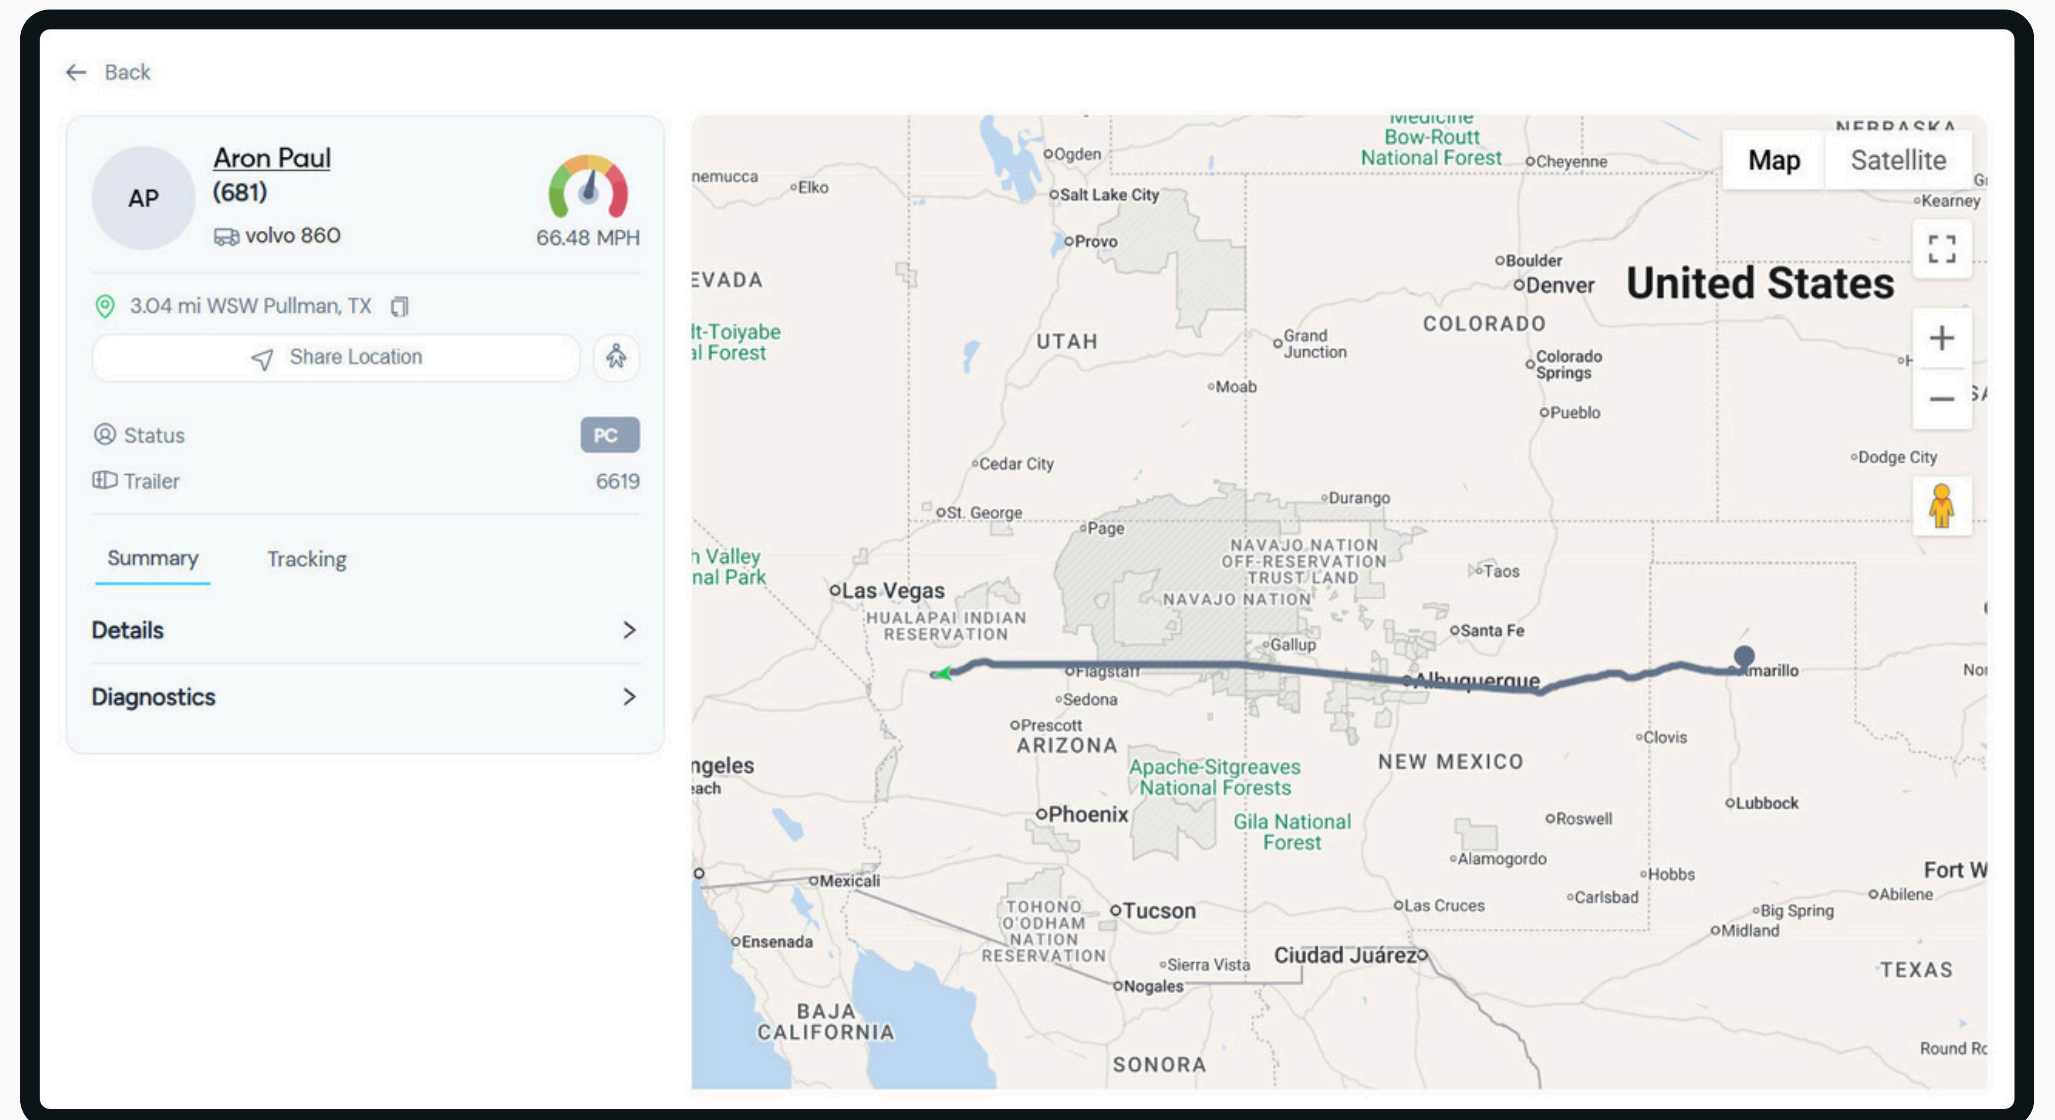

VIEW DRIVER'S PROFILE

Access:

1. Navigate to Fleet Overview.
2. Click a driver's name/profile icon

You can view information related to the driver and their assigned vehicle here.

Note: Missing driver details? Verify permissions or contact your My Driver Book Team.

ADD VEHICLES

To add a new vehicle, go to Vehicles from the sidebar and click **Add New**.

- Enter all mandatory fields marked with (*) Vehicle ID, Make, Model, Year, VIN, and License Plate — and ensure the VIN is accurate.
- Add any optional details like Odometer, Engine Hours, License Issuing State, Fuel Capacity, Assigned Asset, or Notes.

Once all required details are completed, click "Add New" to save the vehicle to the system.

The screenshot shows a modal window titled "Add New Vehicle" with a close button (X) in the top right corner. Below the title is a subtitle: "Enter the vehicle details below. You can optionally assign a driver immediately or leave it unassigned." The form contains several input fields, some of which are mandatory (marked with a red asterisk):

- Vehicle ID***: A text input field with the placeholder "Enter Vehicle ID".
- Make***: A text input field with the placeholder "Enter Make".
- Model***: A text input field with the placeholder "Enter Model".
- Year***: A dropdown menu with the placeholder "Select Year".
- VIN***: A text input field with the placeholder "Enter VIN".
- Odometer (mi)**: A text input field with the placeholder "Enter Odometer (mi)".
- Engine Hours**: A text input field with the placeholder "Enter Engine Hours".
- License Plate***: A text input field with the placeholder "Enter License Plate".
- License Issuing State**: A dropdown menu with the placeholder "Select State" and a downward arrow.
- Fuel Capacity (gal)**: A text input field with the placeholder "Enter Fuel Capacity (gal)".
- Assign Asset (optional)**: A text input field.

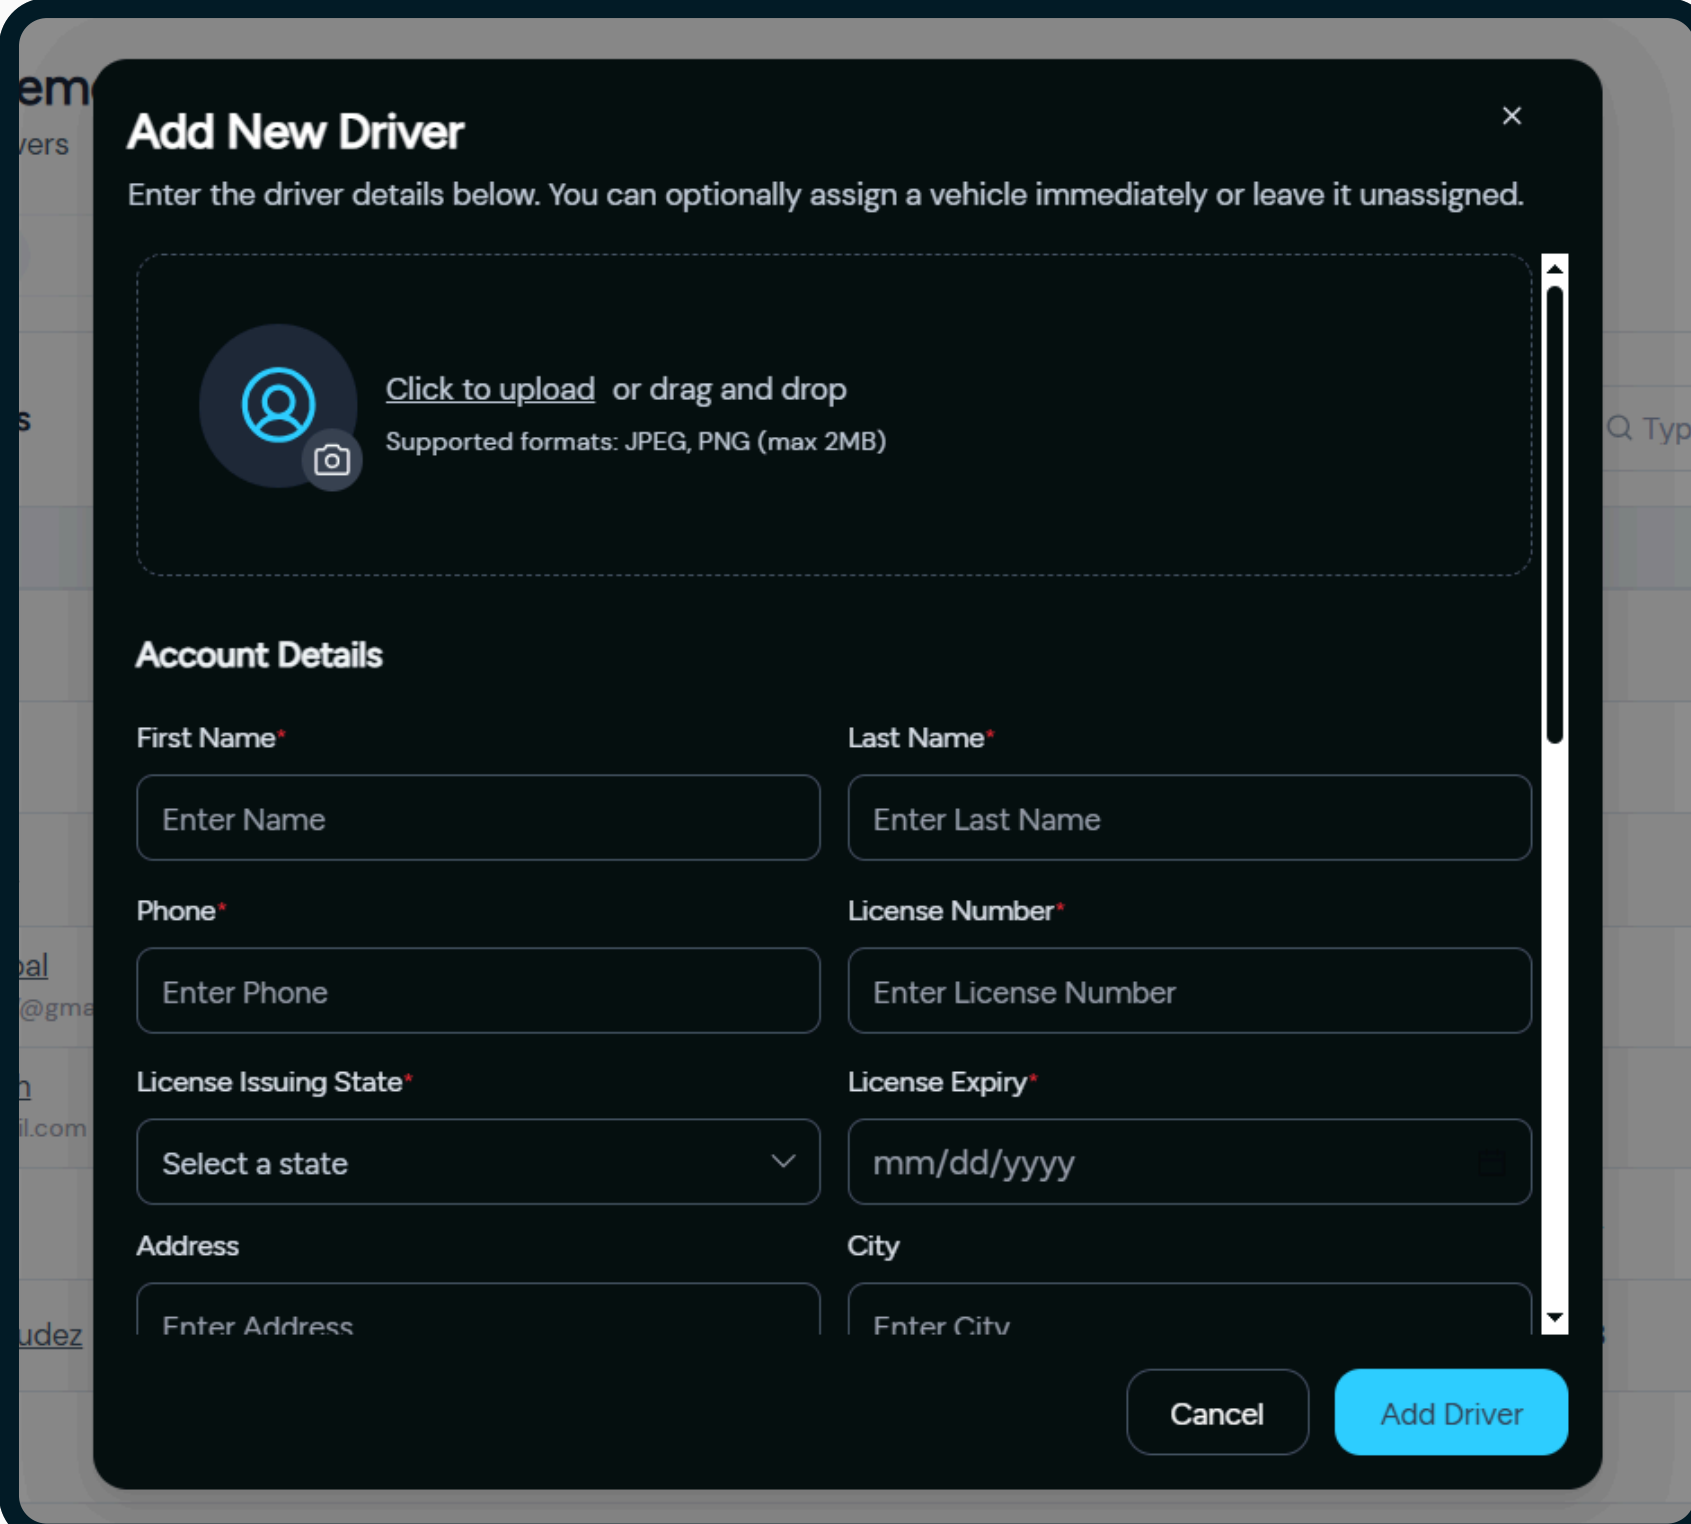

At the bottom right of the form are two buttons: a "Cancel" button and an "Add New" button.

ADD DRIVERS

To add a new Driver, go to Drivers from the sidebar and click **Add New**.

- Complete all required fields marked with an asterisk (*), including First Name, Last Name, Phone, License Details, Username, and Password. You may also enter optional details such as Address, Email, Home Terminal Information, and Hours of Service settings.
- You can upload a driver photo (JPEG/PNG, max 2MB), assign a vehicle or co-driver, add notes, and enable options like Personal Conveyance (PC), Yard Moves (YM), and Allow Correction.

Once all required information is entered, click "Add" to save the driver to the system.

The screenshot shows a modal window titled "Add New Driver" with a close button (X) in the top right corner. Below the title is a subtitle: "Enter the driver details below. You can optionally assign a vehicle immediately or leave it unassigned." The form is divided into two main sections. The top section is for the driver's photo, featuring a circular placeholder with a person icon and a camera icon, and text that says "Click to upload or drag and drop" and "Supported formats: JPEG, PNG (max 2MB)". The bottom section is titled "Account Details" and contains several input fields: "First Name*" (with placeholder "Enter Name"), "Last Name*" (with placeholder "Enter Last Name"), "Phone*" (with placeholder "Enter Phone"), "License Number*" (with placeholder "Enter License Number"), "License Issuing State*" (a dropdown menu with "Select a state" and a downward arrow), "License Expiry*" (with placeholder "mm/dd/yyyy"), "Address" (with placeholder "Enter Address"), and "City" (with placeholder "Enter City"). At the bottom right of the form are two buttons: "Cancel" and "Add Driver".

Note: It's important to add vehicles first so you can assign a vehicle to the driver during this process.

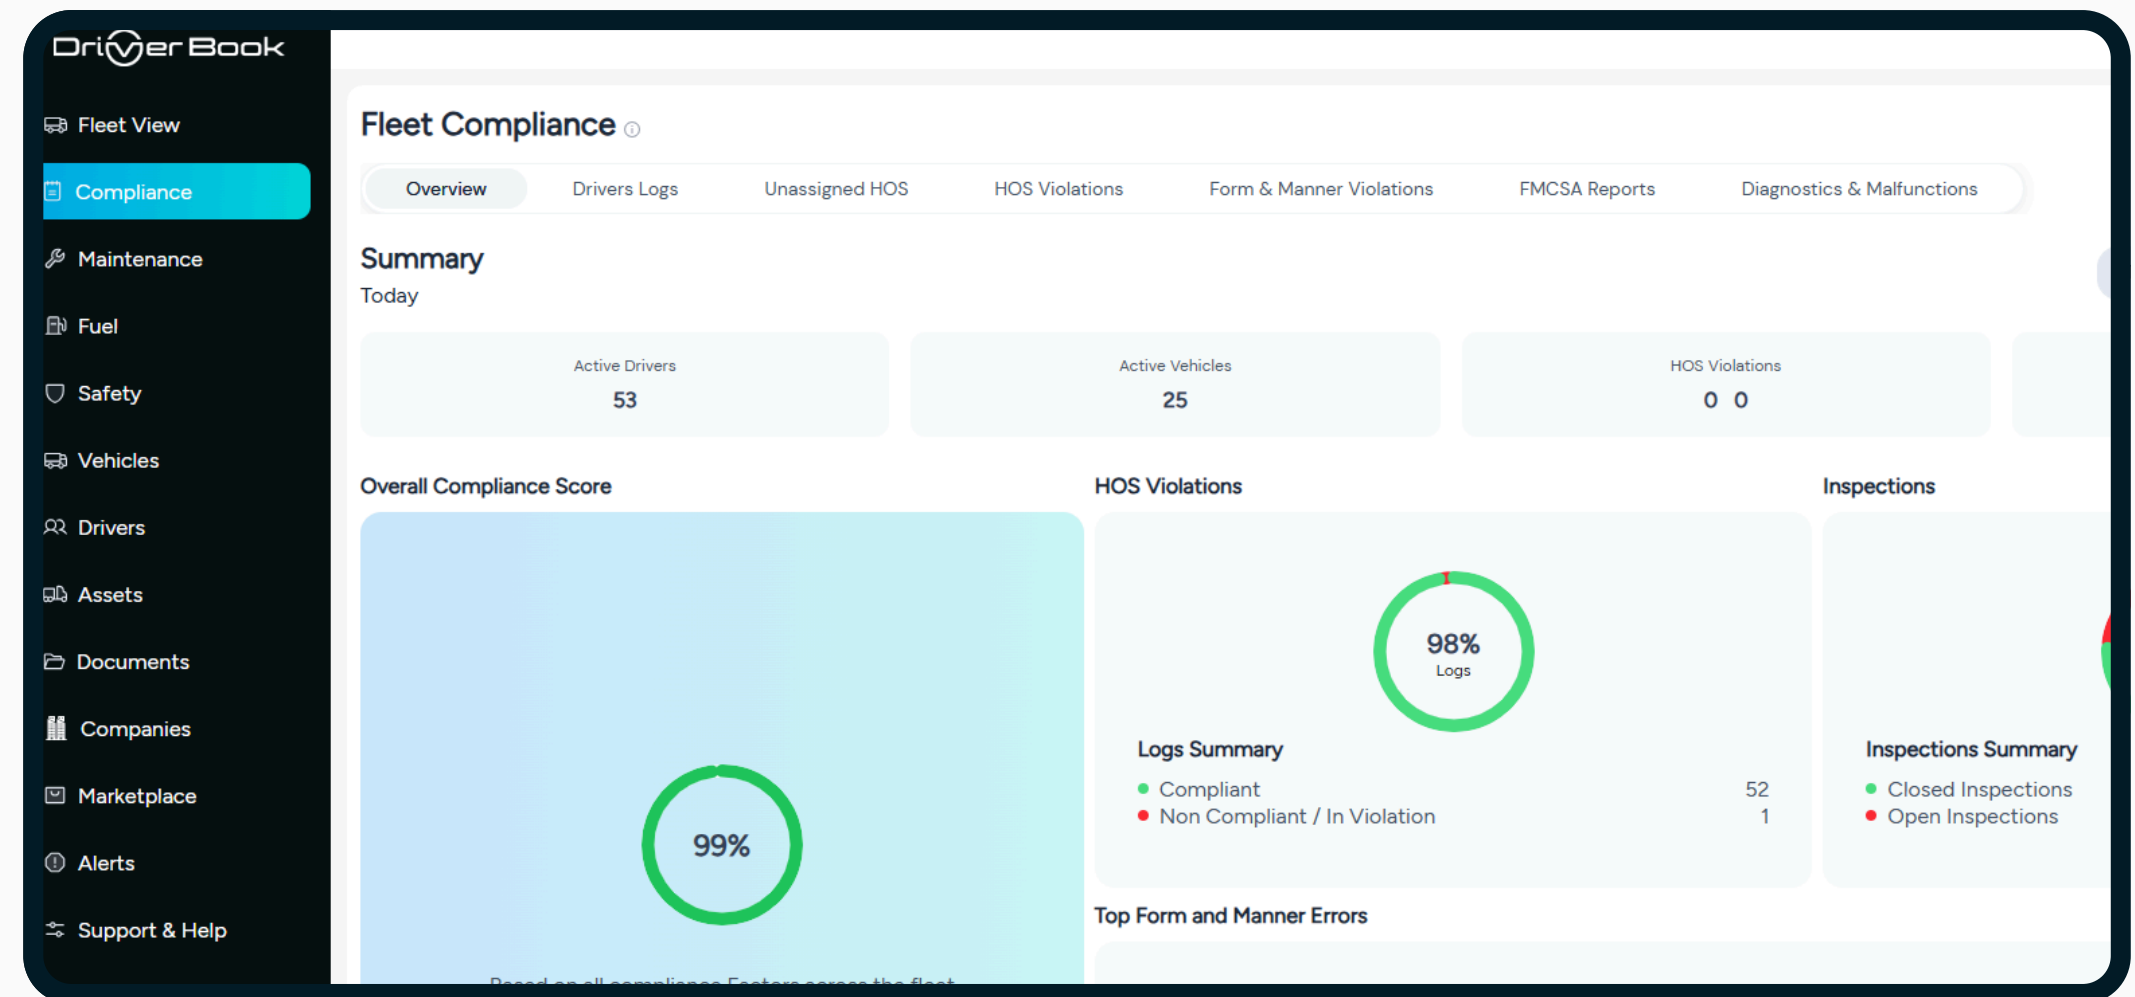

COMPLAINE

To access Fleet Compliance features, simply navigate to the Compliance section from the side menu.

From there, you can easily view and manage:

- Fleet Overview
- Driver Logs
- Unassigned HOS
- HOS Violations
- Form & Manner Violations
- FMCSA Reports
- Diagnostics & Malfunctions

All your compliance data is organized in one place, making it easy to monitor, review, and take action when needed.

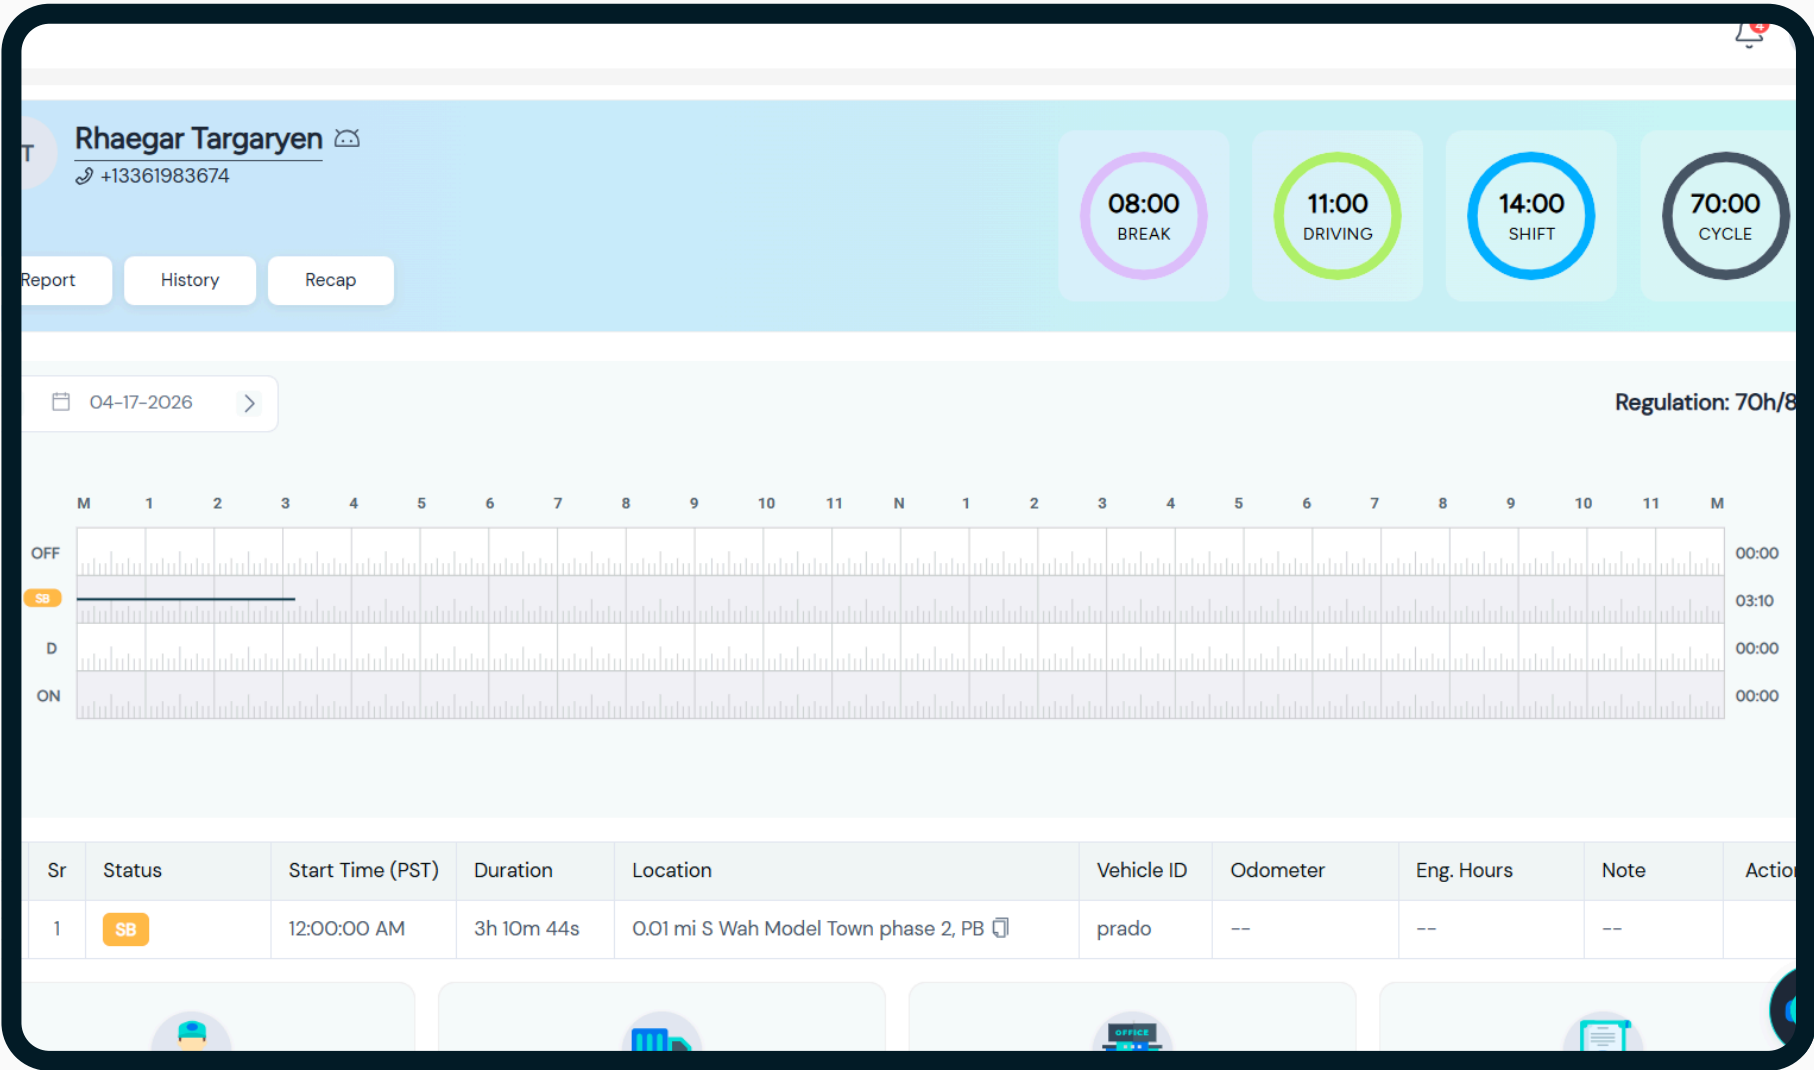

DRIVER LOGS

When you click on a driver’s name, you’ll be taken to their Driver Log screen.

This page gives you a complete view of their daily activity, including:

- A visual HOS graph showing Off Duty, Sleeper Berth, Driving, and On Duty statuses
- A summary of Break, Driving, Shift, and Cycle hours
- The driver’s current status and live location
- The selected log date
- A detailed event list with start times, durations, locations, odometer readings, engine hours, and notes

HOS VIOLATION

To view Hours of Service (HOS) violations, navigate to the Compliance section from the side menu and select the HOS Violations tab.

On this page, you will be able to view all recorded HOS violations for your drivers in one place. The report displays key details such as:

- Driver name
- Date of violation
- Type of violation

You can also use the search bar and filters (such as date and violation type) to quickly find specific records.

This section helps you monitor compliance issues, identify patterns, and take timely action to ensure regulations are being followed.

FORM & MANNER VIOLATIONS

To view Form & Manner violations, navigate to the Compliance section from the side menu and select the Form & Manner Violations tab.

On this page, you will be able to view all form and manner-related violations in a structured report. The report includes key details such as:

- Driver name
- Date of violation
- Type of form & manner violation (e.g., missing certification, missing trailer, missing shipping documents)

This section helps you identify missing or incorrect documentation, ensuring your fleet remains compliant with required standards and regulations.

FMCSA REPORTS

To access FMCSA Reports and manage submissions, navigate to the Compliance section from the side menu. Within this section, select the FMCSA Reports tab to view all report submissions in one place.

- View all FMCSA report submissions in a centralized table
- Check report origin (Mobile or Web)
- Review official comments added to each report
- See driver names associated with submissions
- View the selected date range for each report
- Check when the report was created
- Monitor submission status (e.g., Sent Successfully or Submitted with Errors)
- Access unique Submission IDs for tracking purposes
- Click the Send Data button to submit new FMCSA reports

This section helps you efficiently monitor, track, and manage all FMCSA reporting activities in one place.

ASSETS

To view all your assets, click on Assets in the side menu bar.

This will open your Asset Management dashboard, where you can manage all fleet vehicles and equipment.

You'll see a breakdown of your assets by status:

- Assigned
- Unassigned
- Deactivated

This section gives you a clear overview of your entire fleet and helps you manage vehicle assignments efficiently.

DOCUMENTS

To access all your documents, go to Documents from the side menu.

This section provides comprehensive compliance monitoring and document management for your entire fleet.

You can view and organize documents across the following categories:

- All
- Trip
- Driver
- Vehicle
- Asset

This makes it easy to keep all important documents centralized, up to date, and compliant.

UPLOAD DOCUMENTS

To upload a new document, click Upload Document.

In the pop-up window, fill in the required details:

- Select Document Type*
- Select Document Sub Type*
- Upload your file by clicking the upload area or dragging and dropping it.
- Enter the Date* of the document.
- Add a Reference and any Notes if needed.

Once all required fields are completed, click Save to upload your document to the system.

The screenshot shows a dark-themed 'Upload Document' modal window. At the top, the title 'Upload Document' is followed by a close button (X). Below the title is a subtitle: 'Enter the details below to upload your required documents.' The form contains several fields: 'Document Type*' and 'Document Sub Type*' are dropdown menus; the 'Document Type' dropdown shows 'Document Type' and the 'Document Sub Type' dropdown shows 'Select Sub Type'. Below these is a large dashed rectangular area for file upload, containing a folder icon with an upward arrow and the text 'Click to upload or drag and drop' and 'Supported formats: JPEG, PNG (max size)'. Below the upload area is a 'Date*' field with a placeholder 'mm/dd/yyyy'. At the bottom, there are two text input fields: 'Reference' with a placeholder 'Enter here' and 'Notes' with a placeholder 'any additional notes'. At the very bottom right are 'Cancel' and 'Save' buttons.

USER MANAGEMENT

Steps:

1. Access: Go to Main > User Management.
2. Add Users:
 - Click + Add User > Enter name, email, and role.
 - Assign permissions (e.g., view-only, edit access).
3. Manage Roles:
 - Use the Action column to edit, deactivate, or delete users.
